Our History

Avebury Sports and Social Club has been established since the early 1930s. Originally a working men's club with a proud history within our community, we began refurbishments in 2021 and opened Unhenged Cafe in April 2022.

We are a friendly society membership organisation, and are run by a committee of volunteers on a not-for-profit basis. We also look after Avebury Sportsfield with the help of Avebury Cricket Club, and we support local sports teams with. our facilities and the Clubhouse bar.

We are proud to be part of Avebury life; running community events for local residents, welcoming visitors to this historic landscape and serving delicious food and drinks to all.
